# STENCIL BEING MADE

**G-FORCE™ can have just about  
any logo designed into a working  
stencil, no matter how big.**

## **PLACING THE STENCIL**

Once we have the stencil we will lay it out on the field surface per your plans and designs.

## LARGE SPORTS FIELD STENCILS

Once we have the stencil in place,  
we begin spraying the design  
pattern outlines.

## LARGE SPORTS FIELD STENCILS

**Here's the tricky part. We take extra care to follow the design pattern that can often be quite complicated.**

Once the stencil outlines are  
sprayed, then it's time to remove  
the stencil and connect the dots!
